About School

We, Rosy group of schools provide excellent platform to the students for learning and developing their individual potential which may serve community and nation in long run.

We inculcate habit of self learning and respect for nation as well as for their own. Our Aim is to bring Mahatma Gandhi's dream true in real spirit "Education is total development of body mind and soul"

All Academics as well as educational activities are designed on this basis.

परम श्रद्धेय स्व. पं. शान्ति स्वरूप जी पांडेय
The divine soul whose principles & Ideologies are lighting
our path to glorify Rosy Public School Family

Hon. Chief Minister Mrs Sheila Dixit
Government of Delhi During Inauguration Ceremony of the School on 9th April 2000.

**The School had Graceful Presence of Hon. Governor Uttar Pradesh
Shri Ram Nayak Ji on completion of 15 years on 7th May 2015**

With hearts full of devotion, we held the blessings ceremony on the occasion of Basant Panchami celebration, invoking Goddess Maa Saraswati's blessings for our students' triumph. As our School's first batch of class-X is set to appear in the upcoming board exam in Feb. 2025, we wish them immense luck.

KANHAIYA TIWARI (ACADEMIC DIRECTOR)

Choosing the right school for your child is one of the most significant decisions you will make, and we believe that our school offers an exceptional educational experience that stands out from the rest.

RAJIV MOHAN PANDEY (DIRECTOR)

At Rosy Public School, we are dedicated to equipping our students with the qualifications and confidence they need to thrive in tomorrow's society. We strive to create a learning environment filled with abundant opportunities for academic excellence, as well as a variety of co-curricular and extracurricular activities.

SANDEEP MOHAN PANDEY (DIRECTOR)

I am confident that every child admitted will find our staff warm, friendly, and supportive, fostering an atmosphere of cooperation and trust where they can truly flourish. Our website and school mobile app provides a glimpse into what we have to offer, showcasing our commitment to nurturing your minds.

LOKNATH TIWARI (PRINCIPAL)

We Strictly follow the CBSE curriculum, ensuring that our educational standards meet national benchmarks while fostering holistic development. Our modern infrastructure and state-of-the-art facilities are designed to nurture every child's unique potential. We are proud to be recognized as one of the best CBSE school in district Shahjahanpur.

COMPUTER LAB

The computer lab serves as a place where students can come to learn different technological applications, such as coding, virtual design or even excel spreadsheets. It can also serve as a place for students who don't have personal devices to do homework, research, or work on other online assignments.

SMART CLASSES

The aim of a digital class in school is to enhance the learning experience by utilizing technology to provide students with more interactive, engaging, and accessible learning materials, allowing them to learn at their own pace, develop digital literacy skills, and prepare them for a technology-driven future, while also fostering critical thinking and collaborative learning abilities.

LIBRARY

Reading is one of the essential habits children should have, and the school library provides students with ample scope for that. State of the art libraries at RPS has a comprehensive collection of books on child literature, encyclopedias, and subject books that can kindle a student's interest in reading.

BIOLOGY LAB

The aim of a biology laboratory is to provide a hands-on learning environment where students can deepen their understanding of biological concepts, develop scientific skills, and engage in experimental inquiry, ultimately fostering a deeper appreciation for the natural world.

PHYSICS LAB

The primary aim of a physics laboratory is to provide students with hands-on experience, enabling them to verify theoretical concepts, develop experimental skills, and understand the scientific method through practical application and data analysis.

CHEMISTRY LAB

Our school chemistry lab provides students with the skills to observe, experiment, and analyze, enhancing their understanding of science and instilling valuable qualities such as attention to detail, safety awareness, and teamwork. By engaging in lab work, students develop a deeper appreciation of chemistry and a solid base for future scientific study, helping them become inquisitive, capable learners in a world where science plays an increasingly vital role.

KINDERGARTEN

The aim of the Kindergarten Education is to nurture children to attain all-round development in the domains of ethics, intellect, physique, social skills and aesthetics in order to lay the foundation for their future learning.

INDOOR SPORTS

Indoor play is essential for kids because it offers a controlled environment to engage in physical activities, develop essential motor skills, enhance cognitive abilities, foster social interaction, and explore their creativity.

YOGA DAY

The event Yoga day saw an enthusiastic turnout of 600 students, who actively participated in various yoga asanas and breathing exercises. The benefits of yoga, including stress relief, improved concentration, and enhanced flexibility, were highlighted throughout the sessions.

LIFT

WELCOME ACTIVITY

"The school was delighted to welcome and inaugurate the new academic session. The event commenced with a welcome activity followed by a hand-print activity. Our young learners actively participated, showcasing their excitement for the first day of school. The selfie-point provided an opportunity for students to become familiar with their teachers and classmates."

INDIAN ARMY DAY

On the occasion of Indian Army Day 15/01/2025, Class X students participated in an empowering seminar, led by Brig HS Sandhu, SM, Lt Col Arun Maurya, and respected dignitaries from the Rajput Regiment Center Fatehgarh (U.P.), encouraging them to reach new heights and achieve their goals.

SAVE TREES SAVE EARTH

Trees play an integral role in our lives. We depend on trees for so many products and services, especially for the pure air released by them. Trees play a very vital role in maintaining the balance of our ecosystem. Our entire planet's biodiversity is sustained by trees.

SUBJECT BOOKS NAME ACTIVITY

A subject book name activity might involve reading a book about names and discussing the names in the story. This activity can help students learn about names, the alphabet, and phonological awareness. It can also help students build relationships and a sense of belonging.

HEALTHY FOOD ACTIVITY

Children about the different food groups (fruits, vegetables, grains, protein, dairy) and their role in providing essential nutrients for growth and development. : "milk helps your bones grow" or "pasta gives you the energy to run faster" and helpful reminders like "eat the colors of the rainbow" to get the vitamins you need to stay healthy.

MEHNDI COMPETITION

By fostering interaction and collaboration among individuals from diverse backgrounds, events like the mehndi competition help bridge gaps and promote a culture of peace and mutual respect.

DRAWING AND PAINTING ACTIVITY

Drawing encourages problem-solving and critical thinking. Artists must observe, analyse proportions, consider light and shadow, and make countless decisions about form and space—all of which enhance cognitive skills useful in subjects like science, mathematics, and even engineering, just look at Leonardo Da Vinci!

RAKHI MAKING ACTIVITY

Organize a cultural showcase where students can present various aspects of Raksha Bandhan through skits, dances, or poetry recitations. This platform helps students understand the historical and mythological significance of Rakhi and instills a sense of pride in their cultural heritage.

YELLOW DAY ACTIVITY

A day dedicated to the yellow colour was marked with children dressed in different hues and tints of yellow. Children were not only beautifully dressed in their favorite yellow dresses but also brought yellow objects to make it a complete "Yellow Day"

FROG CRAFT ACTIVITY

Engaging in crafts like painting, drawing, and sculpture refines fine motor skills. Students learn precision and coordination while manipulating materials. Improved motor skills can have positive effects on academic performance.

TRICOLOR ACTIVITY

On the occasion of Independence Day, a tri-colour paper fan activity was conducted for students. The students used orange, white and green craft papers, glue and ice-cream sticks. This activity aimed at making the students aware of the national festivals and evoking a feeling of patriotism in their minds and hearts. The students participated with great enthusiasm.

"ROSY PUBLIC SCHOOL KALAN PAY HOMAGE TO JADUNATH SINGH JEE RECIPIENT OF PARAM VEER CHAKRA, OUR NATION'S HIGHEST MILITARY HONOR."

ACTIVITY ON VOWEL WRITING

Teaching children vowel and consonant sounds is a crucial first step in learning to read because it enables good progress in phonics (linking phonemes to written language) and help them to deal with words that are unfamiliar.

POT, MUKUT AND FLUTE MAKING ACTIVITY

In celebration of Krishna Janmashtami, the students of Std I and Std IX embarked on a delightful journey of creativity. A Flute Making Activity was conducted, paying homage to Lord Krishna's love for his enchanting instrument. Using colorful origami sheets, the students skillfully crafted their own flutes, adorning them with vibrant drawings.

HEALTH CHECK-UP CAMP

A successful health check up camp was organised in the school in which more than 700 people of tehsil kalan and surrounding got chance to check the current status of their body functionary .

SAINT RAVIDAS JAYANTI

The celebration of Guru Ravidas Jayanti is a tribute to Baba Ravidas, who fought for equality throughout his life. He emphasised the importance of Kirat (labour) and believed in praising individuals not by their status but by their humility. He was an honest advocate of caste biases and fought for social equality.

BASANT PANCHAMI CELEBRATION

As per Hindu beliefs Maa Saraswati the deity of learning, music and art was born on this day and thus to achieve wisdom and art from her people celebrate Basant Panchami as Saraswati Pooja. This day is very auspicious; people start new work, get married or start anything new on this day.

TEACHER'S DAY CELEBRATION

To recognise and celebrate their contributions, Teachers' Day is observed throughout India on September 5 every year. India observes National Teachers' Day to commemorate Dr Sarvepalli Radhakrishnan's birth anniversary, recognising his enormous contributions and accomplishments. Born on September 5, 1888.

DIYA DECORATION AND POT MAKING ACTIVITY

Decorating diyas allowed students to explore their creativity while learning about their heritage and the importance of festivals. Using clay which is an eco friendly material is a step in creating awareness for care for environment.

DIWALI CARD MAKING ACTIVITY

Diwali Card Making Activity was conducted for the students of NC to 1st on October 2024. Students were encouraged to make handmade Diwali Cards. Besides, utilizing their inherent creativity, Handmade Diwali Cards helped young minds to bond with the tradition of celebrating Diwali and understand its importance

RANGOLI MAKING ACTIVITY

Rangoli is a type of Indian folk art that is traditionally drawn on the floor or entrance of homes. The aim of making rangoli is to create a colorful art form that is believed to bring good luck, prosperity, and joy to a home. It is also used to welcome guests and Hindu gods and goddesses.

RAMOTASAV

Good deeds are the means to reach a higher plane and likewise bad deeds lead to destruction and doom — is the ultimate message that the Ramayana teaches. The title Ramayana is Sanskrit for Ramas Journey. Ramayana the epic tells the life's journey of Rama, the seventh avatar (incarnation) of the god Vishnu, from his birth in the kingdom Ayodhya through his years in exile and eventual restoration.

NAVRATRI CELEBRATION

Navratri teaches us many important lessons, such as: Good Wins Over Evil: It celebrates the victory of Goddess Durga over the demon Mahishasura, showing that good always defeats evil.

Dussehra Celebration

Dussehra teaches students to fight against injustice and make choices that are honest and integrity-based. The aim of Dussehra celebrations in schools is to teach students moral and ethical lessons, promote self-improvement, and celebrate Indian culture.

JANMASHTAMI CELEBRATION

Janmashtami is also celebrated in schools across India, where children dress up as Lord Krishna, Radha, and other characters from Krishna's life. Dance performances, skits, and recitations are organised, showcasing the stories of Krishna's childhood, his divine exploits, and his teachings from the Bhagavad Gita.

INDEPENDENCE DAY

The Independence Day of India, which is celebrated religiously throughout the Country on the 15th of August every year, holds tremendous ground in the list of national days, since it reminds every Indian about the dawn of a new beginning, the beginning of an era of deliverance from the clutches of British colonialism...

CHRISTMAS CELEBRATION

Just like any form of writing, adding heartfelt wishes to a card prompts reflection. Coming up with custom greetings makes you think about your bond with that person. Writing in a holiday card also lets you reflect on the past year and memorable moments.

LOHRI CELEBRATION

The Lohri festival is celebrated to mark the end of winter, the harvest season, and the beginning of longer days. It is also a time to give thanks to the Sun God for the warmth and light that helps crops grow.

STATE LEVEL SPORTS

Our Rosian team participated in the district and zonal level Judo competitions and secured first position, qualifying them to participate in the state-level KIJudo competition

TEACHER'S TRAINING

Teachers learn strategies to create an environment that's conducive to learning. The goal of teacher training is to improve the quality of teaching and learning. Teacher training programs help teachers develop their skills and knowledge to better connect with and manage their students.

PARAKRAM DIWAS CELEBRATION
